Product Description

For all children who can't wait any longer: Advent, Advent, a little light is burning, first one, then two, then three, then four ... but beware: before the Christ Child waves his curls and Father Christmas arrives at the door, there are still a few tricky puzzles to solve. Perfect for tough nutcrackers to shorten the wait for Father Christmas! How to play: black stories junior are exciting puzzle stories on cards that have to be solved together. Only the expedition leader knows the solution to the riddle, as he/she reads the riddle on the front aloud and is also allowed to study the solution on the back in detail. The adventurers now try to find the solution step by step by asking questions, guessing and puzzling. New game variant: One puzzle card is solved per game. Only the game master knows the solution and the guessing team approaches it step by step by asking questions, guessing and puzzling ... as usual! But watch out: Particularly clever questions that lead to a hot clue are rewarded with point chips. The guessing fox who solves the puzzle receives an additional 3 point chips. Whoever has collected the most scoring chips at the end of the game wins!
