Product Description

Tea or coffee, card game, for 2-4 players, ages 8+ (EN, DE edition)

In this little card game for in between, you collect sets with orders for the customers of a café. If you play a tea or coffee, you get 1 point. You like to collect a full breakfast with coffee, rolls, jam and egg for a whopping 10 points. Many small sets are also worthwhile, because an empty hand gives you 3 bonus points. If you want to improve your hand of cards, you draw a card, swap it with the stack or use special functions of some cards with which you can annoy other players a little bit. Tea or coffee is quickly explained and quickly played. Also suitable for infrequent players and to accompany tea or coffee. The game comes in a practical small metal card box and fits in every pocket ...
