Product Description

In Kodama, the expansion for the 2022 connoisseur game, Living Forest, Onibi is more dangerous than ever: He has now entered the stone circle and is attacking the Consecrated Tree with all his might. But support is at hand: Sanki has sent little beings of light to support the players - Kodamas.

With Living Forest: Kodama, players can now also take on the challenge solo. The expansion also contains new animals and new trees as well as materials to integrate the Kodamas into the game. They can be called via a new, additional action to strengthen one's own deck. Revealed at the right time, they bring special bonuses that help to put Onibi to flight.

Caution. Not suitable for children under 36 months. Legal minimum age: 10

- Players: For 2 to 4 players aged 10+
