Product Description

Beyond the Wall and other Adventures - Hardcover, 168 pages (DE Edition)

Your village seems to be the safest place in the world. But beyond the wall, dangers loom: Malicious fairies hide in the Old Forest, bandits lurk in the streets, terrible monsters are everywhere. And sometimes evil even finds a way into the hearts of the most decent villagers. You may be young and inexperienced, but you are ready to protect what matters most - your home!

Often you want to roleplay, but you don't have the time for long preparations. Characters need to be created, adventures written, and rulebooks studied. Beyond the Wall and Other Adventures is different! It is a game where friends go out on their first big adventure, just like in the books that accompanied you through your youth.

Beyond the Wall and Other Adventures is a light and cooperative fantasy role-playing game that gives a gaming group all the tools they need to experience exciting adventures. All without any tedious preparation!

Attention! Not suitable for children under 36 months. Legal minimum age: 14, legal maximum age: 99
