Product Description

Dungeon Crawl Classics: Sailor on starless sea - Brochure, 28 pages (DE Edition)

You and your people have always worked in the shadow of the huge ruin. The origins of the ruin are mysterious and the source of many a superstition - a mystery best left to itself, according to others in the village. But now something is stirring beneath the crumbling walls. Beastmen are howling in the night and your village neighbors are being abducted from their beds at night. And since there are no heroes to defend you: Who will stand against the ever-approaching darkness? It's up to you to unlock the secrets of chaos, but what will be the price for your sanity and your souls?

Souls on Starless Sea is an entry-level adventure for the Dungeon Crawl Classics role-playing game. It pits a mob of level 0 adventurers against the legacy of the Chaos Lords and their corrupted hordes. As they venture beneath the crumbling ruins, the characters discover ancient crypts, a starless sea, and an ancient ziggurat where death and treasure alike await.
