Product Description

As deep the heavy sea - Hardcover, 244 pages (DE Edition)

As deep as the heavy seas is a narrative role-playing game about the crew of a sailing ship that cruises between the remote British Isles.

Immerse yourself in a world consumed by suspicion, grief and despair. In which power struggles have fatal consequences and people disappear under mysterious circumstances. And in which not everyone who seems to be human is one. Messages from the depths reach your ears through sailor's thread and horror tales. Is your heart listening to the sound of the waves or is it beating to the rhythm of steam-powered machines? What will you do when you are surrounded by the sea spray and salt? Which course are you going to take? Part of Dungeon World.
