Product Description

You enter the longhouse of your village after a long and spoilt journey at sea. Many warriors and shieldmaidens have already taken their seats at the table and are celebrating the victory. You hear a voice calling from a corner ... "It's always time for Örlög!" You sit down at the table and flip the coin ... Örlög is the board game version of the popular mini-game from the Assassin's Creed® Valhalla computer game. In this dice game for 2 brave Vikings, you try to take your opponent's life points by tactically using your dice. Decide wisely which dice symbols to put aside and which you would rather re-roll. Always keep an eye on your opponent's dice! Use powerful blessings from the gods to influence the game in your favour. Use your blessings at the right time to gain a decisive advantage. Timing is a hugely important factor in Örlög! - for 2 people- ages 8 and up- 10-15min playing time
