Product Description

Did someone say walk? Take care of man's best friend and build the best dog hotel your city has ever seen. Shower the cute four-legged friends with love and affection and get to know their different preferences and conditions! After all, what could be better in life than watching the happy dogs play, sleep and get up to mischief? You'll notice the preferences of the different dogs as soon as you take them in. Go for a walk, give them treats or throw the ball all the time to make them happy. Only if you plan the perfect walk through the dog park will their affection increase- for 1-4 players- ages 10+
