### Product Description

There's a lot going on here! There's a lot going on on the farm, because the animals have finally got rid of the farmer. But can you manage to bring order to the excited bunch? Prove that you are the better farmer and keep the farm tidy. A sustainable farm from which your birds will bring news to the neighbouring farms. The rules are very simple: When it's your turn, you grab one of the card-animal combinations on display, place the animal on your farm and try to fulfil as many of your cards as possible. After 9 rounds, all farms are filled and you compare your fulfilled goals. Whoever scores the most points becomes the new farmer! Farm Club is an optimisation game for 2 to 5 people aged 8 and up by Alexandros Kapidakis, with simple rules and difficult decisions. - for 2-5 people- aged 8 and up
