Product Description

Upgrading the Sidekick to pro-level excellence! We bring you one of our bestsellers, the Sidekick, in an upgraded PRO version! The Sidekick PRO 100+ XL is a premium deck box, specifically designed for the widely popular Magic: The Gathering™ format "COMMANDER". It includes a Slide Card Case for displaying the Commander or top card with additional UV protection. Due to the innovative placement, the stored deck can be easily identified without opening the box. The Slide Card Case can also be detached and used during gameplay. The integrated drawer holds additional tokens and other accessories. The Sidekick PRO holds 100 double-sleeved cards in extra Thick Inner Sleeves. It can also fit 100 regular double-sleeved cards and has extra room for token cards. This premium box is also equipped with our highly rated convertible system: The completely removable cover clips onto the bottom, saving precious space on the gaming table. The Sidekick PRO is available in all 5 colors used in Magic: The Gathering™.
