### Product Description

The Italian Lancia is part of our COBI car family. The 1987 Lancia Delta HF is a car rally icon. The model dominated the World Rally Championship (WRC), winning 46 victories and six consecutive constructors' championship titles (1987-1992). The car was characterised by a striking, aerodynamic design with an aggressive front air intake and a distinctive rear end. The Delta was equipped with a turbocharged petrol engine. Depending on the version, the power output was between 130 and 165 hp. We have built this iconic car in 1:35 scale, perfect for our classic car collection! Simple design, high quality prints and swivelling wheels are the recipe for a great looking model that will delight car fans regardless of age! Lancia is an Italian car manufacturer with a rich history and significant automotive heritage. Founded in 1906 by Vincenzo Lancia and Claudio Fogolin, the company quickly gained a reputation as an innovator in the automotive industry. Lancia introduced many innovative technical solutions, such as independent suspension on all wheels and V4 and V6 engines. Its cars have always been characterised by high-quality workmanship and attention to detail. The brand was also heavily involved in motorsport, winning races and rallies, including titles in the World Rally Championship. Lancia produced many iconic models, such as the Lancia Delta Integrale, Lancia Stratos and Lancia Fulvia, which are still treasured by classic car enthusiasts. - 61 high-quality elements- product under original LANCIA licence- manufactured in the EU by a company with over 20 years of tradition- meet the safety standards for children's products- fully compatible with clamping blocks from other brands- blocks with imprints do not deform or fade during play or under the influence of temperature- scale 1:35- Model dimensions (L x W x H): 11 cm (4.3 inches) x 6.5 cm (2.6 inches) x 4 cm (1.6 inches)- Ages 6 and up
