## Product Description

One of the most popular British fighters of the Second World War. It performed very well in combat against German Messerschmitts. The armament consisted of eight 7.7 mm Browning machine guns. The model created by COBI features colours that refer to operations in North Africa and the Mediterranean in 1940. You can build the 1:48 scale aircraft from 138 elements with printed markings. The aircraft is 20 cm long and has a wingspan of 25.5 cm. Perfect for display in an aviation fan's collection and for fun. Thanks to its compact size, it fits easily on your shelf! Build history, brick by brick!Our model made of clamping bricks complements the collection of fighters released in 1:48 scale. It makes an excellent "cover" for the giant bombers we are releasing. It is also an ideal model for a good start to your adventure with COBI building blocks. The aircraft features rotating wheels and imprints. - 138 high-quality elements- manufactured in the EU by a company with over 20 years of tradition- meets the safety standards for children's products- fully compatible with clamp building blocks of other brands- building blocks with imprints do not deform or fade during play or under the influence of temperature- clear and intuitive instructions based on drawings and symbols- 1:48- model dimensions (L x W x H): 20.5 cm (8 inches) x 25.5 cm (10 inches) x 9 cm (3.5 inches)- ages 6 and up
