Product Description

The licensed Willys Jeep with trailer appears as a further development in 1:12 scale and is perfect for the celebrations of the 80th anniversary of the Allied landings in Normandy! The world's favourite off-road vehicle and trailer have been carefully designed using COBI building bricks and consist of 1,580 high-quality elements. Built together with the trailer, it is 45 cm long! Completely new elements have been created especially for this set, with details reminiscent of the appearance of a historic vehicle. The giant Willys MB made of bricks has a characteristic grille and bonnet, realistic rotating wheels, a working steering wheel, interior details and a replica engine. The built car is equipped with a heavy machine gun and accessories that can be stored in the trailer. The wheels with rubber tyres turn and can be moved during play. The clamp building blocks feature high-quality prints with historical markings of a vehicle that served in the 101st Airborne Division of the US Army. One such painted historical vehicle from 1944 belongs to COBI and served as the model for this wonderful collector's set! The set perfectly complements the very extensive Historical Collection WWII series from COBI! Build history, brick by brick! The Jeep Willys MB is a legendary off-road vehicle that played a key role in the Second World War. It was manufactured by the American company Willys-Overland Motors and was part of a military programme to provide vehicles for the US Army and its allies. Willys MB was characterised by its simple design, solidity and reliability in difficult field conditions. Its compact size, robustness and ability to cope with difficult terrain made it a legend in automotive history. After the war, the popularity of the Jeep Willys MB contributed to the development of the Jeep brand and served as inspiration for later models of off-road vehicles. Today, the Jeep Willys MB is prized by collectors and enthusiasts of military items and classic cars. - 1.580 high-quality elements, - car model with trailer, - large scale 1:12, - accessories, weapon replicas, - product under original JEEP licence, - manufactured in the EU by a company with over 20 years of tradition, - meet the safety standards for children's products, - fully compatible with clamp building blocks of other brands, - building blocks with imprints do not deform or fade during play or under the influence of temperature, - dimensions with trailer (L x H): 45 cm (17.72") x 15 cm (5.91") - Ages 10 and up
