## Product Description

The licensed Willys Jeep was released as an enhanced 1:12 scale model and is perfect for the celebrations of the 80th anniversary of the Allied landings in Normandy! Due to their reliability and mobility, some vehicles were used to evacuate the wounded and transport medics. They were characterised by the absence of weapons and a large red cross on the bonnet! The world's most popular off-road vehicle has been carefully designed using COBI building blocks and consists of 1,131 elements. Completely new elements have been created especially for this set, with details reminiscent of the appearance of a historic vehicle. The huge Block Willys MB features a characteristic gille and bonnet, realistic rotating wheels, a working steering wheel, interior details and a replica engine. The wheels with rubber tyres turn and rotate and can be moved during play. The building blocks are printed with high-quality historical vehicle markings. The set perfectly complements the very extensive Historical Collection WWII series from COBI! Build history, brick by brick!The Jeep Willys MB is a legendary off-road vehicle for the US Army and its allies. Willys IMB was characterised by the American company Willys-Overland Motors and was part of a military programme to provide vehicles for the US Army and its allies. Willys MB was characterised by its simple design, solidity and reliability in difficult field conditions. Its compact size, robustness and ability to cope with difficult terrain made it a legend in automotive history. After the war, the popularity of the Jeep Willys MB contributed to the development of the Jeep Willys elements, rarge scale 1:12, - product under original JEEP licence,- manufactured in the EU by a company with over 20 years of tradition,- meet the safety standards for children's products,- fully compatible with clamp building blocks of other brands,- blocks with imprints do not deform or fade during play or under the influence of temperature,- dimensions (L x H): 27 cm (10.63 inches) x 13 cm (5.12 inches)- Ages
