Product Description

Get to work building this awesome miniature garage workshop from Rolife.- Age: 14+- Materials: plywood, paper, plastic- Assembly time: 3.5 hours- Assembly size: 240 x 149 x 171 mm- Parts: 157 Rolife brings you what everyone wants at home: the perfect garage workshop. Built with stunning accuracy, this miniature marvel captures your love of DIY with precision-crafted shelves, drawers, cabinets, boxes, wheels, hoses, tools, gloves and accessories. We've nailed details like the collapsible "wet floor" sign, pegboard, toolbox, watering can, adhesives, potted plant, bricks, classic checkerboard floor and more. The room is well lit by an LED ceiling light. Each space is optimised, as is typical of the ideal home garage. The colours and textures portray a cheerful and productive space where fantastic ideas become reality.*Notes: Due to customs regulations, glue and batteries (2 pcs AAA/LR03/AM4 1.5 V) may not be included in the package. Glue: You can use eco-glue, wood glue or strong glue.
