Product Description

Cthulhu: The Test of Courage (Softcover) DESCRIPTION A haunted house on Halloween night - what could possibly go wrong? The old Barnaker house. Every child has heard of it. Everyone knows a different gruesome story about it. Everyone agrees: it's a very nasty place. And now you're standing right in front of it on Halloween night because that daft Roger has challenged you to spend the night there as a test of courage. You're going to show him! Besides, there are no ghosts in real life! So grab your twins and pocket knives, pack some sweets and the Rubik's cube. Let's wait and see which of you will live to see the dawn. In the successful Halloween series (Halloween, Return to Halloween and Halloween in 3D), Halloween IV: The Dare is the final chapter: the translation of "The Dare" - where pre-made child investigators face the Cthulhu Mythos in the 1980s. Also included are simplified rules for creating your own child investigators!
