Group construction kit

from **86,70 EUR**

Item no.: 384109
shipping weight: 0.50 kg
Manufacturer: eitech

Product Description

With the group construction set, up to eight children can let their imagination run wild at the same time. The set consists of over 320 parts and is ideal for the next children's birthday party, for use in kindergarten, primary school and after-school care centres. Practical plastic box incl. tools. The creative construction kit is supplied in a resealable plastic box. This ensures that all the clay components arrive safely. Eight miniature bricklaying trowels and four bowls for mixing the water-soluble mortar ensure realistic building. Four base plates are also included. Natural & reusable materials. The special mortar mixture of sand and corn extract is harmless to health. The bricks made of real clay are fired in our firing chamber at up to 1000 °C, just like the original. Thanks to the special mortar mixture, the components dissolve again when immersed in water. Our bricks can be reused indefinitely for new buildings. Educationally valuable learning toy. Recommended for children aged 6 and over to develop their creativity and train hand-eye coordination, patience and dexterity. An educationally valuable and sustainable toy. Ideal for use in Montessori education. - Recommended playing age: 6+- 320 components- Building fun for up to eight children at the same time- Ideal for schools, children's birthday parties and much more.- Incl. 4x mortar trays, 4x base plates, 8x brick trowels and water-soluble mortar- Natural materials made in Germany
