Product Description

Join the party with Mickey and all his friends! They have all the ingredients for a good party: great food, great friends and, of course, the party atmosphere. But something made them giggle while they were showing off their dance moves. What could have happened on the other side of the dance floor? Use your imagination and the clues to piece together what Mickey and Minnie are seeing. This is the scene you need to piece together. - 1000 pieces
About Wasgij in general: Wasgij is a unique puzzle concept that challenges even the most enthusiastic puzzlers. With traditional puzzles, the goal is to create the exact image that is shown on the box, but with Wasgij you have to create a completely different image. Wasgij Original is the puzzle concept of 'What do they see?' You have to use your imagination and the clues to piece together not what you see on the box, but what the people on the box see.
