Product Description

Exploding Kittens Party Pack If you explode, you lose. If you don't explode, you win. Cheat on your friends. Stay alive. Last one alive wins. A card game for lovers of cats and explosions and laser beams and ... goats, of course. The successful Kickstarter now as a party pack! A must-have for every Exploding Kittens fan. The Exploding Kittens Party Pack contains selected cards from the Exploding Kittens base game and the Imploding Kittens expansion. If you know the family-friendly party game and are a fan, you know how it works. But here it is again for everyone else: Players take turns drawing cards until one draws an Exploding Kitten. That player immediately explodes, dies and is eliminated - unless they have a card to defuse it. They can use it to calm the kitten down and stop it from exploding, for example with the help of a laser pointer, catnip or by scratching its belly. All other cards serve only one purpose: to prevent you from drawing an Exploding Kitten. Details- Players: For 2 to 10 players- Age: 7+ years- Playing time: 15+ minutes Content- 120 cards
