Product Description

For the first time in COBI's historical collection, the long-awaited Japanese vehicle! The Type 95 Ha-Go is a light tank that was used in the Second World War. It was designed in the 1930s and was the main light tank of the Imperial Japanese Army. The Type 95 Ha-Go took part in many important battles, including battles in the Philippines, Burma and Guadalcanal. The model was designed on a scale of 1:35 and consists of 380 elements. The set includes a figure of a Japanese tank driver and a bilingual name plate. The wheels, tracks and turret are movable. The set is completed by a building block with a fragment of terrain and the Japanese flag! There are high-quality prints on the tank and the figure!- 380 high-quality elements- manufactured in the EU by a company with over 20 years of tradition- meets the safety standards for children's products- fully compatible with clamp building blocks from other brands- blocks with prints do not deform or fade during play or under the influence of temperature- tank model- figure, Japanese soldier- model dimensions (L x H): 13.5 cm (5.31 inches) x 7 cm (2.76 inches) - from 8 years of age
