Product Description

Abarth is a sporty version of the extremely popular FIAT 500, which made its debut in 2007. Modern and extremely fashionable design that attracts attention and awards in the automotive industry. The appearance of the car is reminiscent of the classic 500 that appeared in Italy many years ago. A high quality, licensed 1:35 scale block model that faithfully reproduces the appearance of its stunning original. The blocks have long-lasting imprints that do not wear off even with intensive play. Rotating wheels fitted with tyres are perfect for moving the model during play. The model complements COBI's collection of contemporary cars, which are available in 1:35 and 1:12 scale. A car made from COBI building bricks is not just a toy, but also a collector's model that will appeal to car and building enthusiasts of all ages! Complete the extensive collection of licensed COBI cars in 1:35 scale with another example that is important to the history of the automotive industry. - 71 high-quality elements- manufactured in the EU by a company with over 20 years of tradition- meet the safety standards for children's products- fully compatible with clamp building blocks of other brands- building blocks with imprints do not deform or fade during play or under the influence of temperature- clear and intuitive instructions based on drawings and symbols- one building block with imprinted model and vehicle name- Dimensions (L x W x H): 10 cm (3.9 inches) x 6.5 cm (2.6 inches) x 4.5 cm (1.8 inches) - ages 5 and up
