Product Description

With over 320 parts, the teifoc holiday home is a great building adventure for all budding architects. Incl. tools & illustrated building instructions A miniature bricklayer's trowel and a mortar bowl ensure a real building experience. The base plate is also included. Illustrated building instructions ensure uncomplicated building fun. The holiday home is supplied in a practical plastic box. Natural materials The special mortar mixture of sand and corn extract is water-soluble and harmless to health. Stains on clothing or furniture are also no problem. The bricks made from real clay are fired in our firing chamber at up to 1000 °C, just like the original. Durable and expandable The components dissolve again when immersed in water. This means that our bricks can be reused indefinitely for new buildings and the mortar can be reordered individually. Educational toy Teach your child about building materials in a playful way. Encourage fine motor skills, spatial thinking and creativity. The teifoc brand stands for educational toys with added value and is suitable for use in Montessori education. - Recommended playing age: 8+ - 320 components made of clay and plastic - Dimensions: 300x200x233mm - Incl. mortar bowl and trowel, water-soluble mortar and base plate as well as illustrated step-by-step building instructions - Natural materials made in Germany
