Product Description

With the house with barbecue from teifoc, nothing stands in the way of cosy barbecue evenings. Build a house out of miniature bricks from over 185 pieces, including a barbecue and seating area. Safe thanks to natural materials and recommended for children aged 8 and over. At this age, we recommend the support of an adult. This creates a "we" feeling, builds a creative community and strengthens social skills in children. Incl. tools & illustrated building instructions A miniature brick trowel and mortar bowl ensure a real building experience. The base plate is also included. Illustrated building instructions ensure uncomplicated building fun. Natural materials The special mortar mixture made from sand and corn extract is water-soluble and harmless to health. Stains on clothing or furniture are also no problem. The bricks made from real clay are fired in our firing chamber at up to 1000 °C, just like the original. Durable and expandable The components dissolve again when immersed in water. Our bricks can therefore be reused indefinitely for new buildings and the mortar can be reordered individually. Educationally valuable toy Teach your child about materials in house building through play. Encourage fine motor skills, spatial thinking and creativity. The teifoc brand stands for educational toys with added value and is suitable for use in Montessori education. - Recommended playing age: 8+ - 185 components made of clay, wood and plastic - Dimensions: 200x300x185mm - Incl. mortar bowl, base plate, trowel and water-soluble mortar as well as illustrated step-by-step building instructions - Sustainable materials made in Germany
