Product Description

Nature is calling! Discover our teifoc garden shed and build your own idyll in the countryside. The covered terrace invites you to linger in any weather and inside you can store your garden furniture, set up a party room, build a sauna for your favourite play figures or, or, or. There are no limits to the creativity of free play. With 135 parts, the teifoc garden house is suitable for children aged 6 and over and belongs to the "Kids" product group. We recommend that teifoc newcomers in this age group have the support of an adult. This encourages a sense of togetherness, allows children to build a creative community and strengthens their social skills. Includes tools & illustrated building instructions A miniature trowel and mortar bowl provide a real building experience. The base plate is also included. Illustrated building instructions ensure uncomplicated building fun. Natural materials The special mortar mixture made from sand and corn extract is water-soluble and harmless to health. Stains on clothing or furniture are also no problem. The bricks made from real clay are fired in our firing chamber at up to 1000 °C, just like the original. Durable and expandable The components dissolve again when immersed in water. Our bricks can therefore be reused indefinitely for new buildings and the mortar can be reordered individually. Educationally valuable toy Teach your child about materials in house building through play. Encourage fine motor skills, spatial thinking and creativity. The teifoc brand stands for educational toys with added value and is suitable for use in Montessori education. - Recommended playing age: 6+ - 135 components made of clay and wood - Dimensions: 252x165x100mm - Includes mortar bowl, trowel, base plate and water-soluble mortar as well as illustrated step-by-step building instructions - Trains fine motor skills, spatial thinking and creativity - Made in Germany
