Village

from **34,49 EUR**

Item no.: 384105
shipping weight: 0.20 kg
Manufacturer: teifoc

Product Description

The beautiful teifoc village consists of three individual buildings - a detached house, a barn and a church. The church traditionally consists of a bell tower and nave and fits well into any model building village. The set includes detailed building instructions, mortar bowl, trowel, bricks, base plate and mortar. Long-lasting play fun thanks to countless combination possibilities within the teifoc play world, as all components can be combined and expanded with each other. Playing with teifoc products promotes fine motor skills as well as logical and spatial thinking. This product is suitable for children aged 7+. The teifoc decoration set is ideal as a decorative addition to the small village - 900. - Recommended playing age: 7+ - 155 components - Three different buildings can be built in parallel: house, barn, church - Incl. mortar bowl, trowel, base plate and water-soluble mortar as well as illustrated step-by-step building instructions - Made in Germany
