

Item no.: 384099

Watermill

from **21,44 EUR**

Item no.: 384099
shipping weight: 1.00 kg
Manufacturer: teifoc

Product Description

The watermill is a combination of stone and wood. The mill itself is made of brick and the rotating water wheel is made of wood. Includes tools & illustrated building instructions. A miniature trowel and a mortar bowl provide a real building experience. The base plate is also included. Illustrated building instructions ensure uncomplicated building fun. Natural materials. The special mortar mixture made from sand and corn extract is water-soluble and harmless to health. Stains on clothing or furniture are also no problem. The bricks made from real clay are fired in our firing chamber at up to 1000 °C, just like the original. Durable and expandable. The components dissolve again when immersed in water. Our bricks can therefore be reused indefinitely for new buildings and the mortar can be reordered individually. Educational toy. Teach your child about building materials and their use in a playful way. Encourage fine motor skills, spatial thinking and creativity. The teifoc brand stands for educational toys with added value and is suitable for use in Montessori education. - 60 components made of clay and wood - Dimensions: 210x130x140mm - Incl. mortar bowl, base plate, trowel and water-soluble mortar as well as illustrated step-by-step building instructions - Trains fine motor skills, spatial thinking and creativity - Sustainable materials made in Germany
