### Product Description

With this teifoc construction set, consisting of 50 bricks and water-soluble mortar, you can build an authentic miniature sheep pen. Provide the gentle animals with a cosy shelter and enjoy the fun of constructing and building. Includes tools & illustrated building instructions. A miniature brick trowel and mortar tray ensure a real building experience. The base plate is also included. Illustrated building instructions ensure uncomplicated building fun. Natural materials. The special mortar mixture made from sand and corn extract is water-soluble and harmless to health. Stains on clothing or furniture are also no problem. The bricks made from real clay are fired in our firing chamber at up to 1000 °C, just like the original. Durable and expandable. The components dissolve again when immersed in water. Our bricks can therefore be reused indefinitely for new buildings and the mortar can be reordered individually. Educational toy. Teach your child about building materials in a playful way. Encourage fine motor skills, spatial thinking and creativity. The teifoc brand stands for educational toys with educational added value and is suitable for use in Montessori education. - 50 clay components incl. two sheep - Dimensions: 145x80x75mm - Incl. mortar bowl, trowel, base plate and water-soluble mortar as well as illustrated step-by-step building instructions - Trains fine motor skills, spatial thinking and creativity - Sustainable materials made in Germany
