Product Description

Woof! Use 17 components to build a rain shelter for your faithful four-legged companion. The teifoc dog kennel is the perfect starter model for children aged 6 and over. It can be assembled without frustration and then you can proudly present your own construction. Includes tools & illustrated building instructions. A miniature trowel and a mortar bowl ensure a real building experience. The base plate is also included. Illustrated building instructions ensure uncomplicated building fun. Natural materials. The special mortar mixture made from sand and corn extract is water-soluble and harmless to health. Stains on clothing or furniture are also no problem. The bricks made of real clay are fired in our firing chamber at up to 1000 °C, just like the original. The brick building sets from teifoc are designed, constructed and manufactured in Germany. Durable and expandable. The components dissolve again when immersed in water. Our bricks can therefore be reused indefinitely for new buildings and the mortar can be reordered individually. Educationally valuable toy. Teach your child about building materials in a playful way. Encourage fine motor skills, spatial thinking and creativity. The teifoc brand stands for educational toys with educational added value and is suitable for use in Montessori education. - 17 clay components - Dimensions: 72x55x44mm - Incl. clay dog, mortar bowl, trowel, base plate and water-soluble mortar as well as illustrated step-by-step building instructions - 100% sustainable materials made in Germany
