1024 - Small detached house

from **12,83 EUR**

Item no.: 384093
shipping weight: 1.00 kg
Manufacturer: teifoc

Product Description

A smart little detached house is created from this set. The simple wall structure and the sloping roof made of corrugated panels are easy to realise and promise quick success for beginners in the art of bricklaying. Including tools & illustrated building instructions A miniature bricklayer's trowel and a mortar bowl ensure a real building experience. The base plate is also included. Illustrated building instructions ensure uncomplicated building fun. Natural materials The special mortar mixture made from sand and corn extract is water-soluble and harmless to health. Stains on clothing or furniture are also no problem. The bricks made from real clay are fired in our firing chamber at up to 1000 °C, just like the original. Durable and expandable The components dissolve again when immersed in water. Our bricks can therefore be reused indefinitely for new buildings and the mortar can be reordered individually. Educationally valuable toy Teach your child about materials in house building through play. Encourage fine motor skills, spatial thinking and creativity. The teifoc brand stands for educational toys with educational added value and is suitable for use in Montessori education. - 35 clay components - Dimensions: 80x75x75mm - Incl. mortar bowl, trowel and water-soluble mortar as well as illustrated step-by-step building instructions - Trains fine motor skills, spatial thinking and creativity - 100% sustainable materials made in Germany
