Product Description

With the teifoc stone building set 1026, you can build your own little horse stable from 50 building blocks in no time at all. Of course, two little horses are also included. This product is suitable for children aged 6 and over and is completely harmless thanks to 100% natural materials. Includes tools & illustrated building instructions. A miniature trowel and mortar bowl ensure a real building experience. The base plate is also included. Illustrated building instructions ensure uncomplicated building fun. Natural materials. The special mortar mixture made from sand and corn extract is water-soluble and harmless to health. Stains on clothing or furniture are also no problem. The bricks made of real clay are fired in our firing chamber at up to 1000 °C, just like the original. The brick building sets from teifoc are designed, constructed and manufactured in Germany. Durable and expandable. The components dissolve again when immersed in water. Our bricks can therefore be reused indefinitely for new buildings and the mortar can be reordered individually. Educationally valuable toy. Teach your child about building materials in a playful way. Encourage fine motor skills, spatial thinking and creativity. The teifoc brand stands for educational toys with educational added value and is suitable for use in Montessori education. - 50 clay components - Dimensions: 150x96x190mm - Incl. two clay horses, mortar bowl, trowel, base plate and water-soluble mortar as well as illustrated step-by-step building instructions - 100% sustainable materials made in Germany
