Product Description

Board game cards suffer from frequent shuffling and touching, so protecting them should be of great interest to any avid board game player. These board game sleeves offer first-class protection and still retain a great shuffling feel. The extra clear polypropylene material makes all cards appear 100% transparent and clear. The reinforced thickness of 100 microns gives all cards extra weight and strength and provides a premium look. The well-known and proven sleeve colour codes of Fantasy Flight Games™ are continued in this product line. Players will recognise the tried and tested colour system and find new sizes with new colour codes. - Matte front and back for clear visibility to prevent symptoms of eye fatigue while playing - Prevents bent corners, scratches and damage from shuffling - Reinforced thickness, very strong sleeves - Great shuffling feel - Size: 66 x 91 mm - Acid-free - No PVC - Warning! Not suitable for children under 36 months. Choking hazard due to small parts that may be swallowed. - Content: 50 pieces - Sleeve size: 56 x 82 mm - Card size: up to 54 x 80 mm - Compatible with: Catan® (English version)
