Product Description

In the gloomy city of Arkham, eerie arcane secrets have been buried along with the dead. When sinister forces threaten to bring them back to light, a few brave souls come together who are foolish enough to want to prevent this. This investigator expansion for the expert game Arkham Horror: The Card Game contains 6 investigators and all player cards from the cycle The Broken Circle. Keep your allies sane as the psychologist Carolyn Fern; get to the bottom of supernatural mysteries as the private detective Joe Diamond; solve all your problems with his fat wallet as the millionaire Preston Fairmont; prevent terrible rituals as the doubting cultist Diana Stanley; stay one step ahead of trouble or run straight towards it as the athlete Rita Young; and tap into the potential of her mystical bloodline as the showgirl Marie Lambeau. With the investigator expansion The Broken Circle, you can build new investigator decks or redesign your existing ones and use them to play scenarios and campaigns of Arkham Horror: The Card Game as you wish. The base game of Arkham Horror: The Card Game is required to play. - Players: 1-4 players - Recommended age: 14+ Age - Playing time: 45+ minutes Contents - Investigator cards: 6 - Small investigator cards: 6 - Player cards: 187 - Rulebook: 1
