Product Description

Introducing the Rapid Mouse sports car, a classic roadster from the mid-20th century. This beautiful 1:24 scale car model is the second model in Ugears' Dual Motors series to join the Hot Rod and is sure to get the hearts of all car enthusiasts out there racing. Imagine driving down a country road in this beauty and watching your jaw drop as the people you pass go absolutely crazy over your sports car. Take it to a Saturday morning car show and prepare for the crowds and questions, ride in your hometown parade or drive in the country - the only limit is your imagination! Beautiful lines, attention to detail, great design and great mechanics - this car has everything you expect from Ugears. The sports car mini car model has a dual motor function. Wind up the spring motor with six full turns of the ratchet spanner located on the chassis of the model car, or pull the sports car back on a flat surface, let go and watch the car speed away like any pullback toy car.
