Product Description

Insert: Clans of Caledonia

The Insert is compatible with Clans of Caledonia. The design provides both efficient storage and improved game play. Many of the trays can be utilised during the game, and they greatly aid set-up and clear-away times. The rules and boards act as a lid on top of the trays.

The revised design now works with both the original edition and revised edition of the game, with space for either sized player board.

Attention! Not suitable for children under 36 months. The game must be purchased additionally. The content of the trays on the pictures is not included!
