Product Description

Insert: Dune und Ixians & Teilaxu Erweiterung

Insert compatible with Dune(R), and the Ixians & Teilaxu(R) expansion. The design provides both efficient storage and improved game play. Many of the trays can be utilised during the game, and they greatly aid set-up and clear-away times. The rules and boards act as a lid on top of the trays.

The design works with both the standard retail version, and with the limited edition which includes miniatures.

Attention! Not suitable for children under 36 months. The game must be purchased additionally. The content of the trays on the pictures is not included!
