## 📄 Product Description

Note: Insert designed for game with external box dimensions of 35.0 x 26.0 x 6.2 cm.Insert compatible with Anachrony Essential Edition®. The design provides both efficient storage and improved game play. Many of the trays can be utilised during the game, and they greatly aid set-up and clear-away times. The trays are arranged in up to two layers as shown below. The insert also works with the metal resource cubes and resin player & energy core tokens, more on this below.The insert includes trays for storing and organising all the game components. Each component type has its own slot, and all the trays can be used during game play. Each player recieves their own player tray, and there is space for all cards to be sleeved. the trays work equally well with the separately available metal resource cubes and resin player & energy core tokens. When packing the box, first place the main board on top of the lower layer of trays. Place on top of this the four path boards, scoring pad and evacuation action tile as shown. Lastly place the player boards and rule book on top of everything. This fully fills the box and allows for vertical storage of the game. FS-ANAEE is a third party, unofficial game accessory. All trademarks and copyrights remain the property of their respective owners, which are in no way associated or affiliated with Folded Space EOOD.This product consists of a flat-pack of 5 Evacore sheets. The trays require assembly, which is quick and fun, using ordinary PVA glue. Detailed instructions are included in the package.
