## 📄 Product Description

Note: Insert for games with outer box dimensions of 29.5 x 29.5 x 7.6 cm.Folded Space Insert Organiser TiletumInsert compatible with Tiletum. The design allows for both efficient storage and an enhanced gaming experience. The trays can be used during play and make it much easier to set up and put away. The rules and boards serve as lids on the trays.The insert is arranged in up to three layers, with two filler trays supporting the tray at the top of the picture. Note that the action wheel is stored together with the cubes. The insert contains trays for storing and organising all the game components. Each player gets their own player tray and all resources are organised for easy access. There is space to wrap the solo mode cards.The insert contains a single tray for the bonus, contract and character tiles. This tray can be placed next to the game board during the game to keep the tiles organised.When packing the box, first place the player boards on the trays as shown. Next, place the game board and the bag with the string on the side inside. Finally, add the rulebooks. This will fill the box completely and the game can be stored vertically.FS-TLTM is an unofficial third party game accessory. All trademarks and copyrights remain the property of their respective owners, who are in no way affiliated or associated with Folded Space EOOD.This product consists of a flat pack of 5 Evacore sheets. The trays must be assembled quickly and easily using normal PVA glue. Detailed instructions are included in the package.
