Although he grew up as the son of a millionaire, Roberto Da Costa always sought mental and physical challenges. As a result, he excelled in many areas of life. With his ability to absorb and manipulate solar energy, he now fights for a better age as "Sunspot". Warlock may look like some kind of advanced robot, but in reality he is a techno-organic life form that has escaped from its home planet. A base game of Marvel: Crisis Protocol is required to play.
