📄 Product Description

Superstore 3000The year is 2964 and malls are all the rage. Isn't it great to find everything you want in one huge shopping complex? The only problem is that they're popping up all over the galaxy and the Store-O-Mat 3000™ can barely keep up with demand.While buggies and shuttles head for the landing pads, hard-working engineers have to create a shopping experience tailored to the excited customers flocking to the malls. This chaotic approach might lead to some bizarre constructions, but nobody minds as long as the shopping experience is convincing!!!In the family game Superstore 3000,you areaspiring engineers and want to build the most extraordinary mall ever. You have to find the right combination of shops and attractions to satisfy the curious customers who visit your constructions. Add new shops to your mall to attract galactic customers. Complete as many objectives as possible to build breathtaking attractionsIn the end, only the most innovative mall will stay in business! Will it be yours? Or will you be overrun by people's shopping frenzy?Game contentMall modules 96Store-O-Mat 3000™ 1Figures 56Attraction cards 16Attractions 14Main entrances 4Landing pad board 1Landing pad tiles 8 Start moneyTiles 8Launch Money Tiles 12Balloons 12Rulers 4Launch Stand 12-4 players10+ ages30+ minutesSingle GamePublisher: Space CowboysGenre: Strategy gameCategory: Family gamesMechanism: Tile Placement, Set Collection
