Product Description

Snap Shouts Wortjagd, children's game for 3 to 6 players, ages 8+ (DE edition)

A picture is worth a thousand words - but what? Each player receives 5 picture cards and 5 letter cards - to describe the pictures, the players write down a keyword with which they associate the picture.

Then the guessing fun begins! How well do the other players know each other? Can you guess all the keywords within 60 seconds?

Warning! Not suitable for children under 36 months.
