Product Description

Your spaceship is about to explode - and you have to repair it! One person plays the AI. Use your tokens to send messages to the astronauts so they can save the ship. Each scenario presents you with new challenges! Everyone else plays the astronauts. Decode the messages from the AI. Move the right characters to the right rooms and make sure they have the right keys and cubes with them. Think carefully, because you only have a certain number of turns! Important information Caution! Not suitable for children under 36 months.
