Product Description

Pick-a-Seal Item no.: JT008 EAN: 4897115010316 Overview: - Number of players: 1-5 players - Playing time: 15 minutes - Age: 8+ - Language: DE; EN; CN - Author: Torsten Landsvogt A fast and turbulent card game! Grab as many cards as quickly as possible. But only if they differ from your top card in just ONE point, or are the same. If there are no more correct cards left for you, call STOP and end the round with a bonus. But be careful: If you make a mistake, you will lose all the cards you collected during the round! Game preparation: All cards are shuffled well. Each player receives a starting card, which they do not look at at first, but place face down in front of them. Then 30 cards are laid out face up in 5 rows of 6 cards each, randomly orientated. The cards should be easily accessible to all players in the centre of the table. To start the first round, all players say "GO" at the same time. Course of the game: With the command "GO", all players simultaneously reveal their starting card. They then try to place a matching card from the centre of the table on top of their own starting card with one hand as quickly as possible. However, this card may only differ from their own card in one way or none at all. There are five characteristics of the animal on each card: -large/small -light/dark -one arm/two arms -with/without sunglasses -with/without tinned fish After a player has placed a card from the card field in the centre of the table on their starting card, they immediately look for another card. This card may only have one or none of the same characteristics as the last card placed on top. In this way, all players collect cards as quickly as possible and form their own pile until one player is of the opinion that there are no more suitable cards for them. In this case, they can shout "Stop" and all players must immediately stop collecting more cards. Now the players' cards are checked. You can also combine the game with Pick-A-Polar Bear to play with 8 people. Game type: Family game Card game Children's game
