Product Description

Glen More II: Chronicles, Board Game, for 2-4 Players, from 12 Years

Will your clan leave the biggest impact on Scottish history?

In Glen More II: Chronicles, each player leads their clan from the early medieval ages until the 19th century, looking to expand their territory and wealth. The success of your clan depends on your ability to make the right decision at the right time – by growing barley for whisky production, by selling your goods on the various markets, by befriending clans in the Scottish Highlands, or by gaining control of special landmarks such as lochs and castles.

Win the game and let your clan stand above all others.

There is a lot to explore in Glen More II – Chronicles! The base game alone already has so much replayability and depth, but this gets multiplied by the Chronicles, all of which add a new twist to the game.

Attention! Not suitable for children under 36 months. Legal age: 12

- Player: 2 to 4 Players, from 12 Years
