Product Description

Alhambra Revised Edition - board game (DE, EN, FR, NL, ES, IT edition)

The best builders from all over Europe and the Arab countries want to prove their craftsmanship. Hire the best construction crews and make sure you always have enough cash in hand. Because everyone wants their fair wages in their respective "home currency", regardless of whether they are stonemasons from the north or horticulturists from the south. With their help, towers are constructed, gardens laid out, pavilions and arcades built or seraglio and chambers furnished. Compete with the construction of the ALHAMBRA.
