Product Description

Fresco Revised Edition - board game (DE / EN edition)

You are fresco painters who restore the cathedral's large ceiling painting on behalf of the bishop. Good planning is always required. Colors have to be bought, the fresco restored and new colors mixed. Only those who plan cleverly can achieve the most victory points and become the most successful fresco painter.

In addition to the basic game, the game contains two expansion modules. "The special color mixes" and "The favor of the bishop". You can combine these with the basic game according to your wishes. They offer new challenges and extend the playing time.

Thanks to the new graphics, the Revised Edition is also suitable for the players among you who have a color weakness.
