Product Description

Game description Immerse yourself in the dark world of "Stadt Name Tatverdacht", our Crime Edition. As with the classic "Stadt Name Land", you have to find the right answers to questions with the given letter. Do you know a crime scene with a K or a murder weapon with an H? Crime fans can compete against each other in this game. What's more, City, Name, Suspected Crime is played completely without plastic. Instead of plastic, the cards are wrapped in paper and the packaging and cards are made from FSC®-certified material and are particularly kind to the environment. The game "City, Name, Crime Scene (FSC)" contains a total of 110 cards, including 32 letter cards, 70 question cards, 6 joker cards and 2 cards for the rules. Order our "Stadt, Name, Tatverdacht" now and enjoy a high-quality and environmentally friendly gaming experience. With ASS Altenburger, you're not only backing tradition and quality, but also sustainability and environmental protection.
