Manufacturer: Huch!

Product Description

ZERTZ is the third game in the GIPF project. The players play with a common supply of white, grey and black balls on an increasingly smaller playing field. By tactically placing, hitting and isolating the balls, the players try to get hold of valuable combinations. Only those who play the right ball at the right time and accept tactically clever sacrifices can win. 2000 on the "Game of the Year" recommendation list- 2001 International Gamers AwardDetails- Number of players: 2- Suitable for 13-99 years- Duration: 30-60 minutes- Packaging: 70 x 295 x 295 mm
