Product Description

Shadowrun: Through the Eye of the Needle (Hardcover) Through the Eye of the Needle is a plot book that advances the story of Shadowrun, Sixth Edition. Can you thread a multi-million nuyen deal while sipping your martini? Do you know how to turn insider information you pick up on the stock market into cash? And more importantly, can you stay cool and focussed in the face of the most powerful people in the Sixth World? Find out. The Grand Tour is on and Mr Johnson has organised a place for you in the entourage. Look forward to first-class food and fantastic hotels - and beware of your fellow travellers, who could send dozens of assassins after you with a mere snap of their fingers. Take your steps carefully, find the paydata and uncover secrets that the tour participants want to keep hidden. And above all, don't get caught.
