## Product Description

Funky Monkey, card game (DE, EN, FR), for 2-4 players, from 10 years

The monkeys race through the forest. Everybody's teasing everybody and everybody's fooling around wildly and loudly. Out of high spirits, they decide on a test of courage: Who is brave enough to annoy the tiger and hit him directly on the head with a coconut? Find out and slip each other covered liana cards. Are you brave enough to turn your opponent's card face up? Do you want to move forward quickly to land on the tiger? Or do you prefer to keep your distance to avoid running into his claws in the end?

Funky Monkey is a wild race-and-trouble game for those who like to bluff and have fun. There's a lot going on in the jungle... don't get cocky.
