They cavort on old wooden doors, signs and crates and invite you to immerse yourself in exciting scenes and thrilling picture stories. Discover the Surprise! motif: puzzle instead of flowers? Better a puzzle WITH flowers! This cute motif by Johan Potma is really suitable for any occasion where someone needs to be delighted. - 1,000 pieces - Puzzle dimensions: 500 x 700mm Puzzle fun yesterday, today and tomorrow. Both our manufacturer and Athesia Kalenderverlag itself have been FSC-certified companies for several years now. Now it's time to take the next step: From the 2024 programme, HEYE puzzles will be gradually converted to plastic-free production. This will start with the new products, some of which are already completely free of plastic bags and shrink-wrapping. The only "art material" that will remain are the motifs themselves - still the finest, coolest, trendiest, most exciting, likeable, atmospheric, cosy, exclusive and definitely the best puzzle material!
